

# The Michigan State Police

## Motor Carrier Division Announces

**Basic CMV Awareness** – An introductory 4-hour class for local police officers, county deputies, and troopers who conduct routine traffic stops on CMVs.

Each Basic CMV Awareness class is scheduled from 8 a.m. to 12 noon (lunch not included). A truck tractor-semi trailer from *Roadway Express* will be on site providing participants an opportunity to look over the unit and ask questions.

**Advanced CMV Law** – This three-day class, offered at the Michigan State Police Training Academy in Lansing, offers a more in-depth discussion of commercial vehicle laws. This class is intended for police officers who have had previous commercial law training or experience.

***There is no charge for the training.***

***Pre-registration is required using the attached registration form.***

***Classes are limited to 30 participants each, so early registration is recommended.***
